

Dear AGM2008 participants,

Less than two weeks and the AGM 2008 in Besançon begins ! We hope that you are as impatient as we are to participate at a great event! To make sure everything goes well at this AGM, we still have some information to give you and some requests to make.

### Registration

The persons who have registered, but who decided not to come at the AGM will be reimbursed only if they announce their absence (by sending us an e-mail on [contact@agm2008.eu](mailto:contact@agm2008.eu) ) before the 10th of March.

### Payment

For those who did not pay the AGM fee, please do it before the 10th of March; from the 10th of March, the fee will increase by 40E or those who are late. Please send us a payment proof (screenshot or other) by mail ( [contact@agm2008.eu](mailto:contact@agm2008.eu) ) as soon as you make the transfer.

### Arrival

We would like to ask you one more time to fill in your profile on our website, the time of your arrival and the means of transport. It is vitally important for us to know that, to be able to welcome you properly. It would be advisable to arrive before 3.30 pm, so as to participate at the AGM opening activities.

The welcome for those who arrive by car will be made on the 20th of March from 9 am to 5 pm at Novotel (description arrival). For those of you who come by train, there will be volunteers waiting for you at Besançon Viotte train station on the 20th of March from 9 am to 8 pm. In case you do not arrive between these hours, please send us an e-mail telling us the precise hour of your arrival, so we can welcome you.

### ESN card

For registration on 20th March, please bring your ESN card with you ! The ESN card will be included into your AGM badge, if you forget it, you will have to buy one for 10? and in this case bring also a photo (25x20mm). The AGM badge gives you entrance to each AGM event, so don't lose it. If this happens, you have to buy another one (amount: 10?), since the entrance is controlled to each AGM event.

### Workshops

You can now choose your workshops on your AGM account.

We are happy to announce that our partners BNP Paribas, EDF, and Mazars will send experts to give workshops for you!

### Eurodinner

All the food you bring for the Eurodinner will be stored in refrigerators. At the place of the event there will not be any materials for you to warm your food and you are not allowed to bring your own materials for warming food for obvious security reasons.

### Useful information

Please check out our website, we added the "useful info"; it's very important that everybody read them, to be informed about the programme, arrival and get some advice !!

For questions, comments, complaints or requests, do not hesitate to contact us on [contact@agm2008.eu](mailto:contact@agm2008.eu) or on the AGM forum (<http://agm2008.getdiscussion.com/>) .

PalloAGMmeri!
